

CHIPELEGANYU ONLINE

Chipeleganyu Online USSD Menu Specification – Summary

The document defines the complete USSD user journey for the **chipeleganyu online** platform, enabling members with feature phones to register, contribute funds, check their accounts, request payouts, and access support through a simple menu system.

Main Features

- **Entry Point**
 - Users dial *123#.
 - Main menu options:
 - Register
 - Login
 - Help
 - Exit
- **Registration**
 - New members provide:
 - Full name
 - National ID/Passport
 - Mobile Money number
 - 4-digit PIN
 - A Member ID is generated after successful registration.
- **Login**
 - Members log in using their Member ID and PIN.
 - After login, they can:
 - Make contributions
 - Check account balance
 - View cycle status
- **Contribution Process**
 - Select a savings circle.
 - Enter the contribution amount.
 - Confirm payment.
 - Receive a payment confirmation with a unique transaction reference.
- **Cycle Status**
 - Displays:
 - Current cycle number
 - Total members
 - Contributions received
 - Next member scheduled for payout
 - Receive a confirmation with a transaction reference number.

Key Design Requirements

- Every screen should include **Back** and **Exit** options.
- Every transaction must generate a **unique reference number**.

- **PIN authentication** is required for sensitive transactions.
- Critical user actions should take **fewer than five USSD steps** to complete.

Overall Purpose

The specification provides a user-friendly USSD interface that allows Chipeleganyu Online members to manage cooperative activities entirely from a feature phone. It focuses on simplicity, security, and efficiency, ensuring members can register, contribute, monitor their savings, receive rotational payouts, and access support without needing internet access.

MENU SPECIFICATION

1. Make contributions
2. Account balance
3. View cycle status
 - Displays:
 - Current cycle number
 - Total members
 - Contributions received
 - Next member scheduled for payout

Note: if you are in many group before this page when you choose view circle status it should show ***select circle*** section.
